

Backpack Fundraiser

to Support Peninsula Family Service Organization Pre-Schoolers

The Redwood City Woman's Club is launching a fundraising project to supply one graduating class of pre-schoolers at Peninsula Family Service with backpacks as they head off to Kindergarten.

The club has generously donated \$250.00 to launch the project and our goal is to raise another \$250 from members to purchase and fill the backpacks with supplies.

Volunteers are needed to collaborate on contents and purchase of supplies to fill the backpacks. Please contact Bebe Pierce if you are interested in volunteering.

Deadline to send your donation is

March 15, 2021.

Once we have the supplies we will gather to stuff the backpacks and deliver to PFS.

Peninsula Family Service (PFS) is a local non-profit founded in 1950 that supports 4 Bay Area Counties including San Mateo. Headquartered at 24 Second Avenue in San Mateo, PFS concentrates in three areas - Early Learning, Financial Empowerment & Older Adult Services. PFS operates 8 Early Learning Centers supporting 800 children during their critical first 5 years of life.
